Summary:

Building on the work of the U.S. Department of Health and Human Services (HHS) Rescue & Restore Victims of Human Trafficking Campaign, which began to establish local anti-trafficking coalitions, the Office of Refugee Resettlement (ORR), in the Administration for Children and Families (ACF) within HHS, seeks to continue and expand its efforts through regional grantees who will serve as the focal point for an intensification of local outreach to and identification of victims of severe forms of trafficking in persons. Each successful applicant will be required to sub-award 60 percent of grant funds received to local grassroots organizations that identify and work with victims of human trafficking, and retain no more than 40 percent of funds. In its role as planner, fiscal agent, monitor, and technical assistance provider, the successful applicant will establish and manage a local network or coalition of sub-grantee awardees. ORR seeks to award one cooperative agreement per geographic area for a period of three years. Applications will be screened and evaluated as indicated in this program announcement. Awards will be contingent on the outcomes of the competition and the availability of funds. The anticipated start date for awards is December 1, 2007.
